Summative 1: Create a movie poster

Objective

Students will create a movie poster which illustrates at least one of the principles of design.

Method

1. Source images will be photographed by you.
2. You may cut characters and objects out of source images, but they must be placed on new backgrounds.
3. You will create a new background using images, textures, and/or gradients.
4. Text may not be copied, all text must be created using Adobe Photoshop.
5. The final composition must demonstrate at least one of the principles of design.

Principles of Design: Balance, Gradation, Repetition, Contrast, Dominance, Harmony, Unity
